

Clearwater United

L.O.L

There were many laugh out loud times on May 30 and 31st as the few available to set up and sell at the plant sale worked. What is that plant? Don't plant that, it spreads like a weed! Can we go home now? By 11:30, customer arrivals had dwindle so the remaining plants were popped into the ground, or loaded into our cars. Profit from this year's sale was \$328.85. The Board voted to give 10 % (\$33) to the Food Bank.

B.Y.O.B

You are invited to gather at Dutch Lake on July 9, at noon to swim, boat and visit. Bring your own boat and bag lunch. Bring your friends! Bring strangers! Bring bug spray!

S.W.A.K

Rev. Krushel will be officiating at a wedding on August 30 and will no doubt tell the groom and bride to seal the ceremony with a kiss. We are all invited. Abigail and Jim will provide details (and the kiss)

A.W.O.L

Rev. Krushel will be taking vacation time this summer and his absence will leave us without leadership. He will ask Rev. Keith Petersen to take one service and you are asked to volunteer to lead the others. Consider what you might be doing July 27, August 3, August 17 and August 24 and add, "lead worship" to your to do list. Communion in August will be served August 10.

News From the Pews- Summer 2014

Are you a regular visitor to the world wide web? Check out our website at www.norththompsonpc.ca You will find links to Ivy's blog about her Africa trip, a calender of events for the Pastoral Charge, happenings at the national church level, and photos.

O.M.G!

Oh My Goodness! The next Presbytery meeting is being held Oct. 24-27 in Barriere. The Seniors' Hall, across from the church has been booked. Leslie Stirling and Mary Neathway have volunteered to be on a committee to set up the menu and get the food. All of us will be expected to bake muffins and cookies, peel potatoes, wash dishes, cook, clean, smile and smile a bit more, even though our feet are killing us and we just want people to go home! It will be fun...I.M. H.O (in my humble opinion)

N.T.P.C S. M.

The North Thompson Pastoral Charge Shared Ministry committee has met three times and has another meeting scheduled for July 7. As they work their way through the agreement process, we need to come up with a new name. Remember to put your suggestion in the box by August 1.

"If the Earth were no bigger than a basketball, it would be kept in a museum and people would come from all over to stand in awe in front of it. We would admire its colours, be amazed at the clear running waters, treasure the animals and plants living there. If anyone tried to destroy it, they would be punished for destroying the most beautiful and priceless thing people could imagine. Must the world be that small before we become big enough to look after it the way it deserves?"

- Scouts Canada publication
