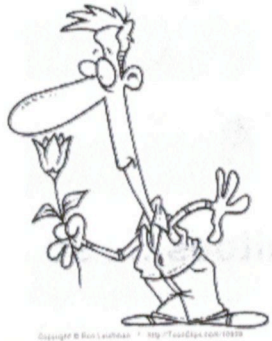
Clearwater United

Inch By Inch, Row by Row

On Friday, May 17, Sandra, Mary and Abigail filled garden beds with dirt in preparation of Sunday's planting of the carrot seeds. Many carrots and a few onions were planted after coffee time. There are two watering cans by the tap at the back of the church. If you are wandering by on a hot day, give the beds a drink, so that large, nutritious carrots will be ready this fall for the Food Bank.
We have much. Thus, we share. Sandra Holmes will be delivering another bag of personal care items to House of Ruth. It was decided to continue this ministry all year long. Your contributions of soaps, shampoos, new face clothes, disposable razors, etc, can be brought to the church for the next delivery.

That's the Way Your Garden Grows



Tell your friends, and even strangers, that if they want their garden to be lush, full of surprises and a joy to walk in, they need to shop at our annual plant sale, Saturday, June 1 from 9-12 Set up will be Friday night, time to be announced. Bring your plants or garden related items for this important fund raiser Friday evening, and show up Saturday morning to lend a hand . You are needed!

To get rid of mosquitoes.... sprinkle chopped garlic around your plants and deck.

Blend banana peels and pour around your rose bushes to feed them.

Place sage leaves in water. Leave overnight. Rinse your hair in the morning to strengthen and highlight dark hair colouring.

So many mosquitoes..... so few recipes!
