The Evangelical Lutheran Church
in Jordan and the Holy Land

الكنيسة الإنجيلية اللوثرية
في الأردن والأراضي المقدسة

To our generous brothers and sisters in Christ of the ELCIC,

On behalf of the entire ELCJHL, I want to extend our deepest thanks and appreciation for your continued prayers and generous support of our ministry.

As you know, times of warfare, violence, and destruction in the Holy Land significantly hurt our educational, congregational, and other ministries. We have now faced over 11 months of the physical, mental, and economic devastation that comes with war. Many families from our Lutheran schools and congregations have been without work for the duration of this current war, with no end in sight. Thanks to your generous support, we are able to provide an education to students who can no longer pay their school tuition while still supporting our teaching staff and keeping the lights on in our school buildings. As violence escalates across the West Bank, students and teachers are risking their safety to access their right to education. We believe that this right is the key to a hopeful and prosperous future. We cannot thank you enough for what your donations to the ELCJHL have meant to our church and our community.

We continue to pray for justice, for an end to the violence, for our skies to cease their rumbling of warplanes, and for a lasting peace in the Holy Land.

Colossians 3:15 "Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful."

Please keep the ELCJHL and the Holy Land in your prayers, and may God bless you.

Your Brother in Christ,

Bishop Sani Ibrahim Azar
